Donut Forget Our Heroes

Each week, we have been selecting local essential businesses to recognize and honor during this difficult time. We want those on the frontline to know we appreciate all they are doing and thank them from the bottom of our hearts. So far, we have recognized Union Health and Terre Haute Regional Hospital.

Update from FSTN on our COVID-19 Procedures

Dear Clients and Friends,

We are continuing to work remotely at this time, and our physical office is still closed to visitors. We are still conducting hearings telephonically, accepting new clients, and maintaining the best Clients First service we can! If you have any questions or problems, please do not hesitate to reach out to us.

The link below is for all our clients currently applying for Social Security Disability benefits. We've had a lot of inquiries about the COVID-19 stimulus check and how it applies to you. Here is a link to the IRS website to fill out information for those who DID NOT work or file a tax return in 2018 or 2019.

Please read through the information and complete the form if you think it applies to you. It states that individuals currently receiving Social Security Disability benefits are already in the system. We hope this helps!

Employee of the Month

Congratulations to our April Employee of the Month, Brenda Palmer!

Congratulations to our April Employee of the Month, Brenda Palmer!! Brenda has been our receptionist at FSTN since December of 2002. Her main job is to answer calls and transfer those to the appropriate people. She also welcomes clients into the office, offers beverages, and makes sure they receive the assistance they need. She strives to project a positive image and make clients feel comfortable when they call and come into the office. Her favorite part of her job is the people. She loves interacting with all the clients and her coworkers.

People who voted for Brenda said this:

"Brenda has been helping out by mailing out everything that we print. She's been a great help!"

"Brenda is an amazing person and always has a smile on her face. She has been a huge help to all of the CM's during this Stay-at-Home Order."

"Brenda has been so helpful - she's mailed everything that we can't send to clients electronically (which is a lot when you're just one person!). Thanks, Brenda!"

Here are some fun questions that Brenda answered:

1. **If you could pick a superpower, what would you choose?** At this moment in time, I wish I could cure the world of Covid-19.
2. **What technology or invention would you love to see in your lifetime?** I would love to have the closets of Jane & Judy Jetson from "The Jetsons!" You would have to watch it to understand!
3. **Can you play an instrument?** A little piano and a little flute.
4. **Do you have any strange phobias?** Just the usual, spiders, bugs, and heights.
5. **If given a chance, who would you like to be for a day?** Queen Elizabeth! I love reading about the royals, and I think she is a very interesting person.
6. **Do you have a favorite quote?** My most recent favorite quote is, "Has anyone tried unplugging 2020 for 10 seconds and plugging it back in again???"
7. **What TV show/movie are you ashamed to admit you love?** I love watching Peppa Pig with Hailei!
8. **Imagine you could step in a teleport for a day and go to any place and time in history.** Where and when would you travel to? I would like to go back to the year 1900 to meet my 2nd grand grandfather, Fredrick Felling. He was a native of Hanover, Germany, and came to America in the 1850's. He started out very poor, with only a few dollars, and helped build the canal. Later on, he became a leading farmer and stock grower in Vigo County. He was killed by an inter-urban car in 1901. His story is listed in "The History of Vigo County."

Congratulations Brenda!! We are so lucky to have you!!
